“Logicals” (voyages created from combining sailings together) have terms and conditions based upon their combined voyage length. Similarly, cruisetours are based on the combined cruise and tour length.

## **Age Restrictions on Travel**

---

### **Standard Policy:**

All guests under the age of 21 must travel with a guest age 21 or older. Additionally, for groups and families booking multiple staterooms, the minimum age for each stateroom is 16 years, provided they are travelling with a parent or legal guardian. We are unable to accept group reservations for student and youth groups that do not conform to our minimum age requirements. Each guest agrees that they will always supervise any guests in their care to ensure all policies are strictly adhered to by all guests under their supervision.

PASSPORT REQUIREMENT WHEN MINORS TRAVEL WITH ONE ADULT ON VOYAGES GOVERNED BY THE U.S. WESTERN HEMISPHERE TRAVEL INITIATIVE (includes travel within BERMUDA, CANADA, CARIBBEAN, HAWAII, MEXICO, PANAMA CANAL, UNITED STATES) When minors are traveling with only one adult 21 years of age or older, Princess requires that all guests must be in possession of a valid passport. We have implemented this requirement because we want to ensure that your party remains together should an emergency arise that require one or more in your party to be disembarked in a non-U.S. port. We cannot guarantee that all members of your party will be allowed to disembark with just a WHTI-compliant document or birth certificate. Failure to present a valid passport for all guests traveling together will result in denial of boarding without refund of the cruise or cruisetour fare.

### **For cruises operating in Australia:**

All guests under the age of 18 must travel with a guest age 18 or older.

Age restricted cruises: For cruises departing from an Australian port between 1 November and 7 January, any guest under 19 years of age on the day they board the cruise must travel in the same stateroom as a responsible adult 19 years or older. In addition, from 8 January to 31 January, there is a limit on the number of guests under 19 years of age who can travel unaccompanied. Once the limit is reached, a responsible adult 19 years or older must travel in the same stateroom. We can advise you at the time of booking whether the limit applies to your booking. Princess Cruises can waive the responsible adult requirement at its discretion. The responsible adult is accountable for guests under 19 years of age in their stateroom for the duration of the cruise, and the 'Rights of the Captain' will be applied to anyone who displays disruptive behavior.

### **For cruises operating in Japan:**

All guests under the age of 20 must travel with a guest age 20 or older. Additionally, for groups and families booking multiple staterooms, the minimum age for each stateroom is 16 years, provided they are travelling with a parent or legal guardian. ## Onboard Product

---

At Princess, we aim to deliver a consistent onboard experience across our fleet of ships, providing a relaxed retreat at sea. There are a small number of differences, including:

Ships deployed in **Australia** offer a more “Australian flavor” of cruising, including more Australian guest-oriented entertainment, food and beverages.

Ships deployed roundtrip from **Japanese** ports offer a more “Japanese flavor” of cruising, enhanced with Japanese entertainment acts, lecturers, Japanese language karaoke and a variety of local beers, sakes, shochus and whiskies to complement our core product offerings. Dining room menus are slightly

augmented to cater to Japanese tastes, and an a la carte sushi bar is offered in addition to our alternative dining venues. Note that Anytime Dining is not available on roundtrip Japan voyages (traditional first/second seating dining is available).

**Ships deployed round trip from Japan will continue to feature English language onboard and English language shore excursions.**

### **Onboard Currency**

---

Onboard currency on all ships (except ships deployed in Australia) will be US dollars.

Ships deployed in Australia will have Australian dollars as their onboard currency. All purchases made onboard, including shore excursions, will be in this currency.

Ships deployed round-trip within Australia or between Australia and Asia will have Australian dollars as their onboard currency. All purchases made onboard, including shore excursions, will be in this currency.

## 8. CRUISE SALES PROGRAM

### Program Overview

---

Princess offers promotions that provide a special incentive for agencies to use for Cruise Sales. A “Cruise Sale” is the term used for any event given by a Travel Consultant designed to generate cruise bookings or prospects. Cruise Sales can be used for FIT or group sales. A group is not required in order to launch a Cruise Sale. The Cruise Sales Program is as follows:

- One onboard value coupon booklet per person (worth over \$900 USD).
- Cruise Sales available on 3 days or longer voyages.
- The program includes a reduced deposit for both USD and CAD bookings:

| Cruise Length                     | Reduced Deposit per person |
|-----------------------------------|----------------------------|
| 3 to 6 days                       | \$50                       |
| 7 days or longer                  | \$100                      |
| World Cruise and 45+ day segments | 5%                         |

Deposits in Euros will vary.

The following are parameters of the Cruise Sales Program:

- Consultants may hold two Cruise Sales per quarter, up to six per year.
- The promo codes for the Cruise Sales program are CNX for most voyages. For World Cruise and segments greater than 45 nights the promo code is CNY.
- Standard Cruise Sale is 7 days in length.
- Not applicable to third/fourth berth guests.
- Singles will receive one onboard value coupon booklet.
- Combinable with International Group and Regional Fares.
- Not combinable with Incentive Groups, travel consultant, affiliate, interline, employee promotions and complimentary stateroom programs.
- Combinable with Flash promotions to receive coupon booklet, but do not receive reduced deposit.

Creating, managing and tracking of Cruise Sales can only be done using POLAR Online.

## **GROUP POLICIES AND PROGRAMS**

## 9. TRAVEL CONSULTANT'S GROUP PROGRAM

### Overview

---

Princess Cruises enables travel consultants to promote their cruises with confidence by removing some of the risks associated with space and pricing availability in the open market. This is done through our Travel Consultant's Group Program which offers:

- Guaranteed inventory – a contracted space allotment
- Guaranteed pricing – for beds sold from the contracted allotment
- Tour Conductor/Leader – one for every 16 guests booked on qualified promotions.

Consultants can create and tailor their groups of up to 100 beds with ease using Polar Online and are encouraged to promote through a variety of media.

Note that tour conductors not applicable on voyages less than three days.

### Guaranteed Inventory

---

Princess Cruises will guarantee a minimum allocation of 10 beds for each group created. This space is subject to recall per the policies below but requires no deposit for up to 64 beds.

Consultants may, if they choose, opt to hold more than 64 beds (up to a maximum of 250 beds on any single group, see below for details) provided they pay a deposit for that space. This is called a "Bulk Deposit" and details can be found on the next page.

Group allocations are available on all sailings regardless of duration.

When booking from the allocated space, guests are still able to choose their stateroom at time of booking (provided they are not booking a guarantee promotion).

Group space is not recalled on specific deposited blocked staterooms when the appropriate standard deposit has been paid on that stateroom.

### Guaranteed Savings

---

Whatever the size of the guaranteed allotment (up to a maximum of 250 beds), Princess will also guarantee the fare for those beds in group categories. The fare for categories sold outside of the contracted allotment will be the prevailing rate.

Once an allotment is sold, consultants can continue to sell into their group categories at the group rate on a space available basis. All fares outside 120 days will combine into the group if a guest qualifies so consultants can keep track of their bookings for the purposes of dining, etc. Once at 120 days or less, select promotions may not combine into groups and will not be used to calculate free berths.

Group Lead-in Fares for each stateroom type will be discounted off Launch Fares as noted below (lower berths only).

| Voyage Length     | Discount per Lower Berth in Group Categories |
|-------------------|--|
| 3 to 12 days      | \$50   |
| 13 days or longer | \$100  |

## **Number of Groups**

---

Consultants may establish 10 groups per month across all ships and trades, offering greater flexibility for travel consultants, by allowing them to target a specific set of itineraries and promote every sailing on that itinerary for a given month. Cruisetour allocations are included in the total allocation limits and some departures with small capacity may not offer any group allocations.

## **Group Size**

---

The maximum allotment size covered by our standard policies is 250 beds on most ships. Allotment requests over 250 beds require a large group concession request from a BDM (Business Development Manager). Large Groups may not exceed 800 beds on any ship.

For Alaska Cruisetours, the maximum group size is 32 beds.

## **Large Group Bonus Stateroom**

---

Large groups (any non-incentive group larger than 250 beds, first and second berth guests only) can receive a bonus stateroom once 100 full-fare guests are achieved. The bonus stateroom will be automatically awarded based on the average net fare of the staterooms booked.

## **Bulk Deposit**

---

There will be a \$25 USD deposit per bed required for groups of more than 16 beds (deposit policy differs for incentive groups as shown in the incentive group section). At the time the bulk deposit is due, deposits collected from guests for the sailing count towards the bulk deposit. For groups below 250 beds, the group bulk deposit is required 240 days prior to departure, rather than 30 days from the contract setup.

## **Block Stateroom Deposit**

---

Consultants may block specific stateroom categories on any ship. The block stateroom deposit policy requires the standard FIT deposit amount to block a stateroom. Wheelchair-accessible staterooms may be blocked for any agency. Suites may not be blocked. Consultants must pay the standard FIT deposit for the stateroom based on double occupancy. Deposit is due within 30 days of contract signing.

The Block Stateroom Deposit is in addition to the Bulk Deposit.

## **Group Onboard Venues**

---

Travel Consultants can reserve venue space for groups through our Group Services department. The venue request process has been enhanced with new automated tools which gives us better visibility of venue availability. With the new enhancements, Group Services is now able to: accommodate venue requests as soon as voyages are open for sale, provide more venue options, and reserve venue requests immediately over the phone. Note, at final payment, the venue confirmation is subject to the group's conversion rate (if more or less beds are sold than were originally reserved).

## **Tour Conductor/Leader (Revenue Credit)**

---

Groups earn one Tour Conductor/Leader (revenue credit) for every 16 lower berth guests booked on qualifying promotions. If an agency has both a cruise and cruisetour group on the same voyage, any unused cruisetour group bookings will apply towards the cruise only group Tour Conductor/Leader (revenue credit) count. This is not applicable in reverse: residual cruise only bookings do not count towards earning cruisetour TCs (revenue credit).

The value of the Tour Conductor/Leader credit is calculated based on the group's average commissionable cruise fare, less Non-Commissionable Fees (NCF), Tax, Fees and Port Expenses for first and second berth guests only, less commission. The credits are calculated at the time of finalization (14

days prior to departure) and applied to a booking at the discretion of Princess Cruises. Revenue credit is refunded 7 - 10 days before the sailing date.

For Japan homeport voyages only, the tour conductor default in Polar will be setup for Location 1 as 1:32 (Location 4 will be setup as 1:16). All non-Japan groups setup in Location 1 will need to add the GJ3 promo to add 3 points to the group in order to receive 1:16 TCs.

### **Group Combinability**

---

A key strength of the Princess Group Program is combinability with different promotions.

- Outside 120 days all public and past guest fares combine into the Group Program and allow consultants to earn TCs on all bookings.
- Public sales (Limited Time Offers) will always combine with groups. (Similar sales promotions by our competitors do not typically combine with groups or their loyalty program.)
- A public fare that combines with groups will always be available (even when we are selling flash fares). This allows consultants to sell a higher fare with group benefits within final payment.
- Inside 120 days all public nationwide fares combine with the Group Program.
- The Group Program does not combine with direct mail/email fares launched inside 120 days, or Flash Fares.

### **Online Only**

---

Polar Online offers many helpful features for setting up and managing a group.

- Opening a Group
- Changing Group name
- Group recall extensions
- Group confirmations and reports
- Financial totals and history
- Display allotments
- Cancel a Group

### **Recall Schedule**

---

There is no standard recall schedule in place. All unused space will automatically be recalled at final payment. All space is subject to hard recall at any time.
